

Submission award – ‘Giving Back’

What are the judges looking for?

This award will be judged by the Whatuni Student Advisory Board, a group of sixth form, college or university students and SU presidents. We’re looking for campaigns and projects that ‘give back’ to a community, be it internationally, nationally, locally, or within your own institution.

In the spirit of the Whatuni Student Choice Awards, the judges especially want to see campaigns that your students have an active involvement in.

Judging criteria based on evidence for the below:

- Innovation of campaign/project (out of 5 points)
- Impact of campaign/project (out of 10 points)
- Student awareness of the campaign/project (out of 5 points)

Please provide both qualitative and quantitative evidence to support your submission.
